OUTPOST HOWELL MOUNTAIN "TRUE VINEYARD" CABERNET SAUVIGNON 2022

This Cabernet Sauvignon comes entirely from our True Vineyard located at 1,800 feet in elevation. Wines are neither fined or filtered allowing for the full expression of the vintages' potential.

Tasting Notes

"An exceptional mountain-grown wine from a tricky vintage. A little plusher and more posh than the 2021, with a broad, layered texture and deep, dark fruit flavors. Rich blueberries, blackberries, dark chocolate, iron and graphite flavors backed by big, sandy tannins. Drinkable now and best from 2030." - James Suckling (Jim Gordon, Executive Editor), *97 Points*

The vintage

2022 was another superb vintage at Outpost. Summer produced warm days and resulted in one of the hottest growing seasons in 10 years. However, a rain event after extreme heat in September was followed by relatively cool temperatures late into the growing season and allowed for extended hang time and optimal ripening as we harvested under perfect conditions in late October (around the 20th). Typical of the wine produced from the True Vineyard, the 2022's hold onto a beautiful sense of freshness and purity while being concentrated, rich, and structured.
